

Giornale 
Semibold

ABOUT

Giornale is inspired by the alternative interpretations and aberrations of classic Roman serif fonts used in Italy in the 1970s, mainly on newspapers, magazines, and political posters. For this project we reversed the typical process and instead of drawing from historical references, we used a series of vernacular interpretations as the source to redraw a single cut display font. The word "giornale" simply means newspaper in Italian. This typeface has a retro look, condensed proportions and is well-suited for headlines and quotes. A small but unique family is in the works.

Like in a semantic field, they aim to generate an evocative aesthetic realm in the viewers' mind.

“A chief of the detective homicide section, kills his mistress and deliberately leaves clues to prove his own responsibility for the crime.”

Empire. Here's something for your left-
wing readers: no undergarments were

wear them. PATANÈ: I have my headline.

20 points A recently promoted police inspector, nicknamed “Il Dottore” (“the Doctor”, an Italian honorific) kills his mistress, and then covers up his involvement in the crime. He insinuates himself into the investigation, planting clues to steer his subordinate officers

14 points toward a series of other suspects, including the woman’s gay husband and a student leftist radical. He then exonerates the other suspects and leads the investigators toward himself to prove that he is “above suspicion” and can get away with anything, even while being investigated. He eventually confesses to the crime in front of his superiors - who refuse to believe him. Sure that he is safe, he recants his confession, and receives the approval of the police commissioner. The interrogation at his home is revealed to

10 points Investigation of a Citizen Above Suspicion was well received by critics and is widely considered one of the best international films of the 1970s. The New York Times called the film “a suspense melodrama with the moral concerns of angry satire [...] When it opened in Italy early this year (and later, when it was shown at Cannes), Investigation was hailed for the ways in which it exposed the corrupt,

authoritarian practices of the police, who place themselves above their own laws [...]

The story moves forward with a relentless momentum. It is a political parable, and a stunning movie.”^[4] The film has a Rotten Tomatoes approval of 100% based on 15 reviews, with an average score of 8 out of 10.^[5] On Metacritic it has a score of 89 out of 100 based on 10 reviews.^[6] David Fear of Time Out

6 points Roma. Il giorno stesso della sua promozione al comando dell’ufficio politico della Questura, un dirigente di Pubblica Sicurezza (del quale per tutta la durata del film non viene fatto il nome e che in fase di sceneggiatura viene individuato come l’Assassino), fino a quella mattina capo della sezione omicidi, uccide con una lametta Augusta Terzi, la propria amante,

nell’appartamento di lei. Il film è realizzato con la tecnica dei flashback in cui si rivela che Augusta invitava il commissario ad abusare del proprio potere o a narrarle particolari scabrosi cui aveva assistito nelle vesti di poliziotto o, ancora, lo provocava parlandogli di una sua relazione con un giovane «rivoluzionario», in realtà lo studente anarchico Antonio Pace, che vive nel suo

stesso palazzo. Consapevole e allo stesso tempo incapace di sostenere il potere che egli stesso incarna, il poliziotto dissemina la scena del delitto di prove e, durante le indagini, alternativamente ricatta, imbecca e depista i colleghi che si occupano del caso. Se in un primo momento ciò che guida il protagonista pare essere l’arroganza di chi confida nella propria insospettabilità,

la veridicità di questa convinzione viene via via smentita dai fatti. La vittima, Augusta Terzi il poliziotto assassino, in virtù della vittoria dell’ordine costituito, finisce per agognare la propria punizione, che tuttavia gli viene preclusa dal suo potere e dalla sua posizione: l’unico testimone dei fatti, l’anarchico individualista Pace, non vorrà denunciarlo per poterlo ricattare
